

## Declaration on materials and the environment

<b>Product</b>	Type	<b>0560332015...050</b>
	Description	<b>Dirt trap of bronze</b>
	Range	<b>Valves</b>
<b>Product usage</b>	Typical energy consumption p.a.	<b>not applicable</b>
	CE conformity	<b>PDS 56.090</b>
	Servicing, maintenance	<b>PDS no maintenance required</b>
	How the environment benefits	<b>see last page</b>
<b>Risk to the environment in the event of damage</b>	Fire protection as per	<b>EN 60695-2-11, EN 60695-10-2</b>
	Fire load <sup>(1)</sup>	<b>MJ</b>
	Parts containing halogen (causing corrosive smoke)	<b>none</b>
	Pollutive liquids	<b>none</b>
	Explosive substances	<b>none</b>
<b>Packaging*</b>	LDPE	<b>2...10 g</b>

<sup>(1)</sup> See **Remarks** on last page

\*Directive 94/62/EC and follow-up document; decision 97/129/EC

---

<b>Materials</b>	<b>Total weight of product <sup>(2)</sup></b>	<b>220...1620 g</b>	<b>Safety data sheet</b>	<b>EU waste code**</b>
<b>Synthetics</b>				
PTFE		<b>1...5 g</b>	Yes	20.01.39
<b>Metal</b>				
Bronze, brass, stainless steel		<b>219...1615 g</b>	not required	20.01.40
<b>Printed circuit board</b>				
No printed circuit board				
<b>Miscellaneous</b>				

---

**Special components**

None

**N.B.:**

Silicone content:

<sup>(2)</sup> See **Remarks** on last page

\*\*Directive 75/442/EEC and follow-up document; decision 2001/118/EC

**Disposal****Product:**

Can be completely recycled as scrap metal.

Fr. Sauter Ltd. observes the European directive 2002/95/EG (RoHS); the company's soldered products have been lead-free since 01.07.2006.

Special treatment of particular components may, under certain circumstances, be either compulsory by law or ecologically advisable.

**Packaging:**

Recyclable

**Observe local regulations and the latest applicable laws.**

**Special notes:**

Should be replaced/cleaned only when not under pressure.

**Remarks****(<sup>1</sup>) Fire load, depending on type:**

none

**(<sup>2</sup>) Weight, depending on type:**

0560332015	220 g
0560332020	300 g
0560332025	440 g
0560332032	700 g
0560332040	860 g
0560332050	1620 g

**How the environment benefits**

Extremely long service life due to heavy-duty design. Optimum use of raw materials.

**Disclaimer: This declaration is solely for information purposes.**

If circumstances arise, Sauter may change the above-mentioned specifications without prior notice.

Fr. Sauter Ltd. expressly rejects any liability for damage occurring due to the above information.

Further information on environmental aspects in general and on disposal in particular can be obtained from the local Sauter agent.
